1. Working Hours

The standard working hours are 9:00 AM to 6:00 PM, Monday through Friday. Employees receive a one-hour lunch break between 1:00 PM and 2:00 PM. Teams may have different schedules when approved by their manager.

2. Attendance

Employees are expected to arrive on time and record attendance through the company's attendance system. If an employee expects to be late or absent, they should inform their manager as early as possible.

3. Remote Work

Eligible employees may work remotely when their role permits it and when the arrangement has been approved by their manager. Employees working remotely are expected to remain available during normal working hours.

4. Professional Conduct

Employees should communicate respectfully with colleagues, customers, and business partners. Harassment, discrimination, threats, and intentionally disruptive behavior are not acceptable in the workplace.

5. Company Property

Company laptops, access cards, documents, and other equipment must be used responsibly and returned when requested or when employment ends. Employees should report lost or damaged company property to the appropriate manager.
